

Fridays are School Days at the River of Time Living History Encampment

Held annually at Bay City’s Veteran’s Park South on the last weekend of September, the River of Time brings together hundreds of reenactors representing North American history. With your students, visit our ‘camps’ where knowledgeable historians display lifestyles and discuss events from the early Native American Tribes, the Revolutionary War, the Civil War, and other camps – all the way up to modern times.

This “Timeline” living history event is unusual by having multiple time periods represented at one location. Come, and let your students experience the grand sweep of people and events that welded us into the people of the United States of America.

We invite and encourage school groups to visit on Friday. The event is open to the general public on Saturday and Sunday and is considerably busier. Public schools, private schools, home schools and college age groups all are welcome.

Teachers interested in attending with their students should contact: info@riveroftime.org

Please visit the River of Time website at: riveroftime.org
